

# Metro Warriors STEM Organization

**Yvette Motley , ED.S** has been an Educator for over 18 years in Prince George's and Charles County Public School systems. Currently, Mrs. Motley is a Middle School Math Teacher in Charles County Public Schools. Mrs. Motley started out as a parent volunteer as her two sons have been a part of the Metro Warriors STEM Organization for the past seven years. Her passion for teaching students to be life-long learners has inspired her to coach with MWSO. Mrs. Motley has served as a FIRST LEGO League Coach for five years, along with experience with VEX IQ Middle School team as an assistant coach. Her two sons have been a part of Metro Warriors for the past six years and have gained much confidence and knowledge within their learning experiences with the encouragement from coaches and through team work with their peers. As a lifelong learner, she holds a Bachelor's of Science from Towson University, and a Master's Degree in Education, with a certificate in Administration from McDaniel College. Currently, Mrs. Motley obtained her Post-Master's Educational Specialist Degree from Regent University with a concentration in Advanced Leadership Education, and is pursuing a doctorate degree at Regent University.
